### NOTICE OF INSUFFICIENT BASIC NATIONAL FEE REQUIRED UNDER 35 U.S.C 371 AND 37 CFR 1.494 OR 1.495

Indication of Small Entity Status has not been received.

The current record of this application indicates that the basic national fee (37 CFR 1.492(a)(1)-(5)) required is \$740 since no international preliminary examination fee has been paid to USPTO (37 CFR 1.482) but an international search fee has been paid to USPTO (37 CFR 1.445(a)(2)).

The basic national fee to enter the national stage in the United States of America under 35 U.S.C. 371 must be paid by 20 months from the priority date if the USPTO is the Designated Office (37 CFR 1.494(b)(2)), {where NO proper Demand was made by the expiration of the 19th month from the earliest claimed priority date}.

If the proper basic national fee is not timely paid, the international application will become ABANDONED as to the United States of America, and will not be accepted for national examination.

The amount required shown above reflects the correct fee as of the date of this Notice. If the amount changes prior to payment, applicant must pay the revised amount.

The current basic national fees are listed at 37 CFR 1.492(a)(1)-(5). In addition, current PCT related fees are listed in each weekly issue of the Official Gazette of the United States Patent and Trademark Office and the amount of the fees can be obtained by contacting the Public Service Center at (703) 308-4357.

Extensions of time under the provisions of 37 CFR 1.136 are not available for compliance with the requirements of 37 CFR 1.494(b)(2) or 1.495(b)(2).

For filing the basic national fee, the first class certificate of mailing procedure of 37 CFR 1.8 is NOT available to establish the date of mailing as the date of receipt in the USPTO (see 37 CFR 1.8(xi)). The Express Mail procedure of 37 CFR 1.10 may be used.

The basic national fee may not be submitted via facsimile transmission.

Applicant is reminded that any communications to the United States Patent and Trademark Office must be mailed to the address given in the heading and include the U.S. application no. shown above (37 CFR 1.5)

A copy of this notice **MUST** be returned with the response.
